Subpart 2009.1—Responsible Prospective Contractors

2009.101 NRC policy.

(a) It is NRC policy that contracts will not normally be placed on a non-competitive basis with an individual who was employed by the NRC within two years of the date of the request for procurement action. This policy also pertains to any firm in which a former NRC employee is a partner, principal officer, majority stockholder, or which is otherwise controlled or predominantly staffed by former NRC employees and for granting consent of subcontracts. An exception to this policy will be made if it is determined by the agency Procurement Executive to be in the best interest of the Government to do so. This restriction also applies to former NRC employees acting as a principal under a task order type contract or as a principal under a contract awarded non-competitively under the Small Business Administration's 8(a) Program. This policy is also applied when reviewing subcontracts for the purpose of granting consent under NRC prime contracts.
